Boston, MA – 5 i [i gh(, 2010

News Facts

- T3 Expo today announced that they will produce the National Agricultural Aviation Association's (NAAA) 44th Annual Conventional & Exposition, December 6-9, 2010 at the [Savannah International Trade & Convention Center](#) in Savannah, GA.
- T3 Expo is a provider of innovative event and tradeshow solutions nationwide
- The world's largest trade show for agricultural aviation, the NAAA's annual event is will attract more than 1600 attendees to Savannah, including NAAA members, exhibitors and large number of honored guests and sponsors.

Quotes, attributable to National Agricultural Aviation Association (NAAA), Peggy Knizner, Assistant Executive Director

"T3 is unparalleled in their ability to successfully plan and produce every aspect of an event. Already T3 has been an invaluable resource to NAAA in their ability to deploy both standard and new best practices across the lifecycle of our event. T3 is true partner and they are working closely with us to share in the risk of implementing truly innovative solutions that in the end will reduce our costs and grow the event in new and exciting ways."

Quotes, attributable to T3 Expo Eventgineer, Nate Derby

"In the end what this is about is creating an event for NAAA that will make an impact, both immediately and long-term that delivers real return on investment for NAAA, show attendees, as well as both their sponsors and exhibitors. T3 will work as true partners with association show managers to ultimately execute an event that inspires attendees and sponsors to come back next year and beyond."

About the National Agricultural Aviation Association (NAAA)

The NAAA represents more than 1,500 members in 46 states. NAAA represents the interests of small business owners and pilots licensed as commercial applicators that use aircraft to enhance food, fiber and bio-fuel production, protect forestry and control health-threatening pests. Furthermore, through its affiliation with the National Agricultural Aviation Research & Education Foundation (NAAREF), the NAAA contributes to research and educational programs focused on enhancing the efficacy, security and safety of aerial application.

About T3 Expo™
