

Workday Rising 2019

CUSTOM BOOTH GUIDELINES

Workday Rising 2019
October 14-17, 2019
Orange County Convention Center
Orlando, FL 32819

Workday Rising 2019

Titanium Sponsors – 30' x 30'

Titanium sponsors have the option to use their own custom booth at Workday Rising. Prior to producing your booth, please submit all plans to the Workday Rising team for review and approval.

Note the following guidelines:

1. Booth Space and Structure

- If you have a hanging banner, booth height can be 10' maximum.
without a hanging banner, booth height can be 16' maximum.
- Floor-supported structures only, no structural rigging.
- No two-story structures allowed.
- All graphics must be preapproved by Workday Rising conference management
Please follow the guidelines in the ERC and obtain approval prior to printing your graphics.
- Large items that take up space, such as bicycles, motorcycles, cars, and so on, must be preapproved by the Workday Rising team prior to arriving on-site.
- Booth entrances and flooring may not exceed a 2% grade as to comply with ADA standards.

2. Solid Walls

- Solid walls are limited to 10' in length and cannot exceed 10' in height
- Monitors used specifically for demos cannot be placed on any wall that sits on the booth perimeter.

3. Overhead Signage

- Maximum height of physical banner is 4'.
- Maximum height from floor to the top of the banner is 16'.
- Maximum length of banner on any side is 15'.
- Banners must be fabric.
- No rotating hanging banners.
- Rigging is limited to the approved banner only (no lights, projection, and so on.)
- No more than (1) hanging sign is allowed.

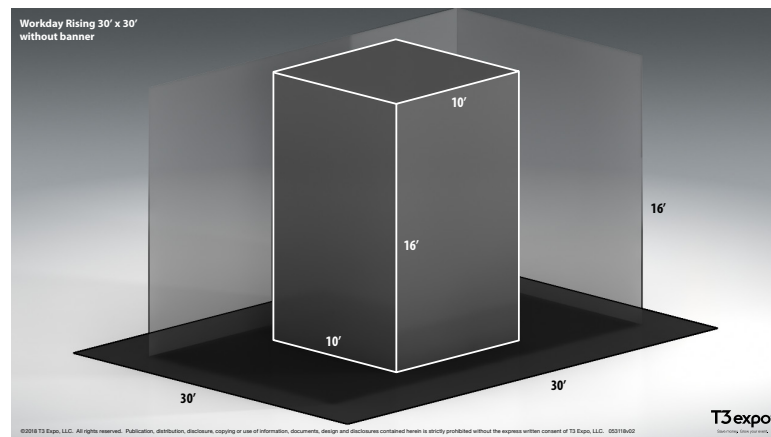

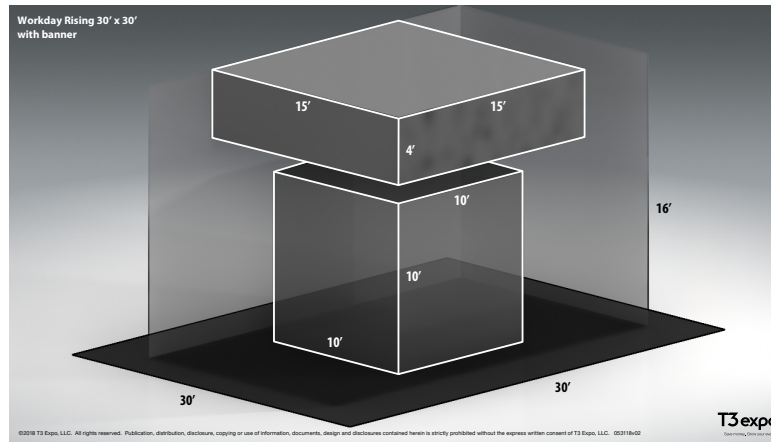

4. Please see the next page for guideline rendering
